(Tentative)

Youth 2000

age 13 and up. Early 2011, date and place tba

Welcome!
New year, fresh start at St. A's. **YOUR** youth group is ready to rock. Why not build it around the source and summit of our faith? The Eucharist -- Christ's gift to you! Check out our Family Life Mass, every Sunday at 5:15pm.

Keep an eye on the bulletin or check-in at L.E.A.P. or Safari for more info to come...

Why should I get involved?

'Cuz your **life** depends on it. I know you're snickering right now, but think about it...

What's **important to you?** Which areas of your life get the most attention? Which need the most help? Which are helping you define yourself as a **person of character** who will succeed down the road?

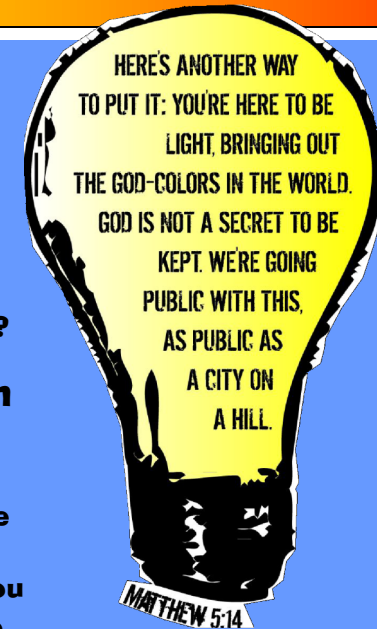

Are there any of these areas that can't be made **better with God** in the center? And isn't God essential to helping you be **the best you can be?** We take time to study, to exercise, to practice those things that interest us. But do we take time to nurture our spiritual side? And can we be **really whole** if we're ignoring God and the things He can do for us?

Besides, He wants us to know Him. He **calls us** to be His.

Are you listening?

I know you're all really busy. But everyone I know still has time to hang out with friends, play a little X-box, read a little, watch some TV. No one is busy 24/7, but **we all choose** what we do with those hours. Have you chosen to give a bit of yourself to God, or is He just not that important?

If you don't like the answer, **YOUR youth group** can help. We specialize in young people. We'll make it fun and exciting. We'll talk about stuff that's important to **YOU**. You put a little in, I promise you'll get a lot out.

Let no one have contempt for your youth, but set an example for those who believe, in speech, conduct, love, faith and purity.

-1 Tim 4:12
