**RELIGIOUS EDUCATION CLASSES**

First Reconciliation retreat is Friday, December 9, 2011 from 4-8pm (pizza provided for dinner). All children enrolled in First Holy Communion class need to attend this retreat. On Saturday, December 10, 2011 at 10:00am they will celebrate the Sacrament of Reconciliation with Fr. Lucas and Fr. August here at St. Anthony's. Volunteers who have completed a background check and safe environment training are needed Friday evening to help with the retreat. Please call Kellei Hennessey at 266-2666 ext. 26 or e-mail [StAnthonyRE@bresnan.net](mailto:StAnthonyRE@bresnan.net). Very special THANK YOU to Cathy Holman and Becky Stewart for organizing this blessed event with me.

It's not too late to enroll your children in Religious Education classes. For the exception of children attending St. Anthony Tri-Parish School, all children should be attending RE classes. Our faith is an on-going, life-long learning and living process. This ensures children receive their Sacrament and keeps the grace they received at Baptism stirring in their hearts. Classes 1<sup>st</sup> grade to 5<sup>th</sup> grade are Sunday mornings from 9:30-10:45am.

**LEAP and Safari**

Your youth groups are in full swing, and any time is a great time to get involved. Safari is for all 6th through 8th graders and we meet on Wednesdays from 6:30 to 8:00 at the Parish Center. We'll be there on November 16, but off for a week on the 23rd (Happy Thanksgiving!) Back again on the 30th and every week thereafter until Christmas. L.E.A.P. is for all 9th through 12th graders and meets on Sundays, 6:30 to 8:00 at the Parish Center. We'll be off on the 26th, but otherwise, see you there!

**ALTAR FLOWER FUND**

It's never too early to start thinking about making a donation to the Christmas Flower Fund in memory of a loved one. You can drop your donation in the collection basket with the name of your loved one in a marked envelope or bring it by the Shepherd's Staff Office, Monday through Friday.

**BEQUESTS** Please remember the good works of our Parish in your will. Contact our pastor for information on how you can accomplish this.

November 10, 2011

Dear Friend,

During the week of November 14, the U.S. Senate is expected to consider a "minibus" appropriations bill for fiscal year 2012.

The Energy/Water appropriations bill (H.R. 2354) will be the vehicle for also considering the Financial Services and State/Foreign Operations bills, both of which include unacceptable provisions on pro-life issues:

- **DC Abortion Funding Ban Weakened:** First passed in 1989, the Dornan Amendment prohibits *all* congressionally appropriated public funds, federal and local, from being used for elective abortion in the District of Columbia. The Senate's Financial Services bill weakens the D.C. abortion funding ban by allowing local public funds to be used for elective abortions.
  - **Federal Employees Health Benefits (FEHB) Abortion Funding Ban Eliminated:** For many years, the FEHB program has banned the use of funds to pay for abortion, or for expenses connected with providing benefits or coverage for abortion, except to save the mother's life or in cases of rape or incest. The Senate's Financial Services bill eliminates this provision entirely, so federal funds will subsidize elective abortions.
  - **Mexico City Policy Reversal Made Permanent:** The Mexico City Policy provided that U.S. population assistance funds are available only to foreign nongovernmental organizations that agree not to perform or promote abortion as a method of family planning. The policy was reversed by President Obama in 2009. The Senate's State/Foreign Operations bill would codify the president's reversal as permanent law.
  - **The United Nations Population Fund (UNFPA) Funded:** The UNFPA has a long history of supporting China's coercive one-child policy. Nonetheless, the Senate's State/Foreign Operations bill provides \$40 million for the UNFPA.
- By contrast, the corresponding appropriations bills in the House uphold the Dornan Amendment, retain the abortion funding ban in the FEHB program, restore the Mexico City Policy, and deny all funding to the UNFPA.

The suggested message to your Senators reads: "Please vote to restore pro-life policies to the 'minibus' appropriations bill, H.R. 2354. Specifically, support the abortion funding bans for the District of Columbia and the Federal Employees Health Benefits program that are in current law; uphold the Mexico City Policy; and deny funding to the UNFPA."

Do not delay. Please act today!

Thanks for all you do in support of life!

The Garden at the end of the World, is a film that is both a documentary and a travelogue of a journey through the ruined land of Afghanistan. It is stark in its contrasts of the impacts of war with the everyday lives of people trying to create new lives, of ruined city and the bare beauty of the mountains, of the conditions in the country and the efforts of one woman small of stature but big of goodness in doing her small part to put things right.
